This coon left town when the war broke out
He left for fame there is no doubt,
Never once thinking that he'd have to fight
'Till news came into camp one night.
The enemy was coming mighty mighty quick
Coon says Capt'n I'm gettin mighty sick
Got pains in ma bunions and ma courage is slack
Oh, please Mr. Capt'n wont you let me go back.

CHORUS:

I'm goin to leave, yes I want to go back
I'm tired of livin' on your hardtack,
Those cannon balls are too warm for me
So that's the reason I'm goin' to leave.
